Sir, R.16607/44 dated 23rd January 1946.

Sub:-Establishment -District Police Office, South Kanara -
Additional clerk for motor vehicles work -sanction
requested.

Paper I below

Re:-From the District Superintendent of Police South Kanara,
No.Rc.1812/Audit/45 dated 25/12/45.

In submitting herewith a copy of the letter from the District
Superintendent of Police, South Kanara read above the Central Board
submits that the sanction for one clerk for the District Police Office
South Kanara for registration and licencing work communicated in
G.O.No.3037 Home department dated 4/9/45 is seen from the experience of
the last two months to be based on an under-estimate. It is seen that
the clerk cannot cope with the work.

The Board therefore requests that the Government may be
pleased to sanction an additional lower division clerk's post for the
District Police Office, South Kanara upto 30/9/1946.

H. G. Harrison
SECRETARY. 24/1/46

S.A.24.1.

Copy to the District Superintendent of Police,
South Kanara.

Copy of letter Rc.No.1812/Audit/45 of the District Superintendent
of police, South Kanara, Mangalore dated 25/12/45 to the Secretary,
Central Road Traffic Board, Madras.

Establishment -District Police Office, South Kanara -Additional
Clerk for Motor vehicles work -sanction of-.

Ref:-My letter RC.No.1812/Audit/45, dated 21/9/45 to the Inspector
General of Police, Madras.

2) Your order R.No.16607/44, dated 18/10/45.

I have considered the question over again and find that the
motor vehicles work that has to be done in this office is by far too
heavy for a single clerk. I realise that the requirement of the staff
asked for in my letter No.R.C.495/M.V/45 dated 3/2/45 i.e., one clerk-
was an underestimate, and that in doing so, the actual work to be done
was not properly reckoned.

2.

H. G. Harrison
Secretary

2. The one clerk who has been sanctioned for doing the work of registration of vehicles, licensing of drivers, and conductors, has far too much to deal with, and he is unable to attend to other references arising out of the working of the Motor Vehicles Act and Rules and such other cognate matters which were previously being dealt with by the Road Traffic Board, Staff. A number of references, I find, are being received now from the Regional Transport Officer, the Central Road Traffic Board, the Provincial Motor Transport Controller and the Provincial Rationing Officer, and in actual practice, it is well nigh impossible for a single clerk to do this extra work in addition to the work of licensing drivers and conductors and registration of vehicles, which by itself is heavy and may require the assistance of another clerk.

3. The result has been that the extra work thus involved has to be attended to by the regular staff of the District Police Office. The District Police Office itself is really understaffed. The additional work, consequent on the abolition of the Road Traffic Board, that now exists is, therefore, thrust on an already overworked staff, and thus increasing its burden. I do not think that this is a satisfactory state of affairs conducive to prompt and efficient work.

4. I, therefore, strongly urge that for the reasons set forth in my letter cited above, it is imperative, that the staff for Motor Vehicles work in this office is augmented by the addition of one more clerk. I, therefore request that the Government may kindly be addressed urgently for the sanction of an additional clerk.
